I Particella: 1449

The image is a detailed cadastral map of a portion of the territory of L'Aquila, Italy. The map shows various land parcels, some of which are shaded grey, indicating built-up areas or specific land uses. A prominent feature is a large parcel outlined in red and labeled '1449'. This parcel is situated near a road or railway line that runs diagonally across the upper part of the map. Numerous numerical values are scattered throughout the map, representing measurements such as distances between points, lengths of boundaries, and possibly area calculations. These numbers are often accompanied by small letters or symbols. The map also includes a scale bar at the top left, indicating a scale of 1:2000. At the bottom, there is a header section containing administrative information, including the name of the municipality (L'Aquila), the sheet number (8), the original scale (1:2000), the dimensions of the map frame, and a date and time stamp (6-Nov-2023 16:42:43). On the right side, there is a vertical label 'VIA L. G. 90 CURIO'.
