FOTO LOTTO NR 3

A photograph of a child's bedroom. The room has pink walls and a wooden floor. A window with purple curtains is visible, letting in natural light. Below the window is a small desk with various items on it. To the right, there is a bed with a colorful, patterned blanket. A large, white, spherical pendant light hangs from the ceiling. The room appears to be a child's space, with toys and personal items scattered around.
