PIANO PRIMO

The diagram illustrates a cross-section of a terrapieno (embankment). It features a trapezoidal top surface with a central vertical line labeled '1'. The vertical height of the embankment is indicated by a dashed line. The base of the embankment is shown as a stepped foundation. On the right side, there is a vertical column of numbers: 1, 33, 34, 35, 36, 37, 38, and a series of horizontal hatching at the bottom. The word 'TERRAPIENO' is printed vertically along the right edge of the main embankment body.
