A photograph of a construction site. In the background, a tall blue and yellow tower crane stands against a sky filled with white, fluffy clouds. The crane's jib extends diagonally across the upper right portion of the frame. In the middle ground, a grassy embankment rises. A black fence runs across the scene, with a large, tan-colored banner attached to it. The banner has black text that reads 'VENDESI APPARTAMENTI DI NUOVA REALIZZAZIONE PER INFORMAZIONI'. Below the text on the banner is a solid black rectangular redaction. To the right of the banner, a white plastic pallet is visible on the ground. The foreground is a grey asphalt surface.
