S-6

A cardboard box is shown from a top-down perspective, filled with a large quantity of small, identical cosmetic containers. The containers are primarily light pink and white, with some yellow accents. They appear to be various types of jars, tubes, and pots, likely for cream or lotion. A white paper flap is visible at the top of the box, and another white paper flap is at the bottom, featuring the bold black text "S-6". A hand is visible on the right side, holding a wooden strip that is part of the box's structure.
